

South Texas Tick Workshop

October 22 / 10:00 am - 4:30 pm
October 23 / 8:00 am - 3:30 pm

Weslaco - Texas A&M AgriLife Research & Extension Center
2401 East US Hwy 83 - Vegetable Building
Weslaco, TX 78596

- In the US tick-borne diseases are on the rise, with more individuals being exposed.
- This course will provide knowledge on how to identify ticks found in Texas, where these ticks are generally encountered, the diseases that ticks transmit and how to manage them.
- The course will use both lectures and hands-on demonstrations and activities.

Cost: \$50

Day 1 - Lunch Provided

Day 2 - Breakfast & Lunch Provided

Travel Grants Available By Application
